

Health and Safety Policy Statement

(Health and Safety at work (etc) Act 1974)

CMK(Treatments) Ltd regards the health and safety and welfare of both the Company's employees and those who may be affected by the Company's activities as being of prime importance and undertakes to comply fully with the provisions of the Health and Safety at Work (etc) Act 1974, including any Regulations and Approved Codes of Practice additional to the Act. The Company also undertake to comply with any new legislation, which may be forthcoming.

CMK (Treatments) Ltd undertake so far as is reasonably practicable:-

- To provide and maintain safe equipment
- To require all employees to exercise a duty of care and to co-operate in the setting up and maintaining, as far as is reasonably practicable, safe and healthy conditions, avoiding actions which may be detrimental to the health and safety of themselves and others.
- To make adequate provision for, and maintain, a healthy and safe working environment in the premises under its' control
- To give all information, instructions, training and supervision as necessary for the establishment and maintenance of safe places of work
- To ensure safe use, handling, storage and transportation of articles and substances which are inherently or potentially dangerous.
- To encourage employees to develop an awareness of health and safety as an integral part of their duties
- To ensure that any persons other than employees in the Company's premises are not exposed to any hazards from the work therein
- To allocate sufficient resources to enable these aims to be met
- To bring this policy to the attention of all CMK (Treatment) Ltd employees and persons working on or visiting the site
- To regularly review and amend the policy as necessary.
